

Facility Management Professional (FMP) Virtual Course

The International Facility Management Association (IFMA) is the world's largest and most widely recognized international association for facility management professionals, supporting over 23,000 members in more than 100 countries.

The Facility Management Professional (FMP®) is designed for facility professionals looking to strengthen their hard and soft skills in facility management. The IFMA FMP® Credential Program is the only tool you'll need to earn your FMP® credential.

The FMP® Credential Program is made up of the four (4) core FM topics/modules:

1. IFMA's Operations & Maintenance Course
2. IFMA's Finance & Business Course
3. IFMA's Leadership & Strategy Course
4. IFMA's Project Management Course

QualiServ is a **Global Training Affiliate** with the International Facility Management Association (IFMA) for **Lebanon, Jordan, Syria, and Cyprus**. We provide training courses for the Facility Management Professional (FMP®) certification.

FMP Benefits

By earning the must-have FMP credential, participants will join over 12,000 professionals worldwide who have improved their knowledge, enhanced their skills, and gained immediate credibility with employers, clients and peers.

FMP® is internationally recognized and industry-trusted for almost 15 years

IFMA is also an **ANSI-Accredited Certificate Issuer** - Accreditation #1057. IFMA is accredited to issue the FMP and SFP Certificate to those successfully completing the FMP and SFP Certificate Program by the American National Standards Institute (ANSI) under ANSI/ASTM E2659-09. ANSI is the official U.S. representative to the International Organization for Standardization (ISO). ANSI accreditation is nationally and internationally recognized as a mark of quality. It assures companies, customers and the general public that a certificate holder has completed the prescribed course of study in a manner that represents the best in quality education and training

FMP Virtual Course

The virtual version of the FMP® course spreads over 20 sessions (2 hours / session).

The course can be either given daily over a total of four weeks or can be spread over 10 or 20 weeks with weekly (1session/week) or biweekly (2 sessions/week) sessions, as per the preference and availability of the attendees in consensus.

Attendees need to submit the FMP® Application and payment form to sit for the FMP® credential exams.

The FMP® credential exams are a set of four separate exams, covering the 4 courses/ modules. It is advisable to study the materials and sit for the online exams directly after the course.

Study guidelines are set by the instructor to assure a pass on the exams

Your Instructor: **Michel Theriault**

Michel has been recognized for his contribution to FM with a Distinguished Author award from the International Facility Management Association (IFMA) for his book, “Managing Facilities & Real Estate” which emphasizes strategy, management and leadership in the FM role. In addition, he speaks internationally, contributes to FM publications, blogs on FM issues and is an accredited instructor for IFMA’s Facility Management Professional (FMP) designation program.
